Dear Agent,

Re: SunWorldPLUS – 1st May 09

The 1st May 2009 is the launch date of our revised SunWorldPLUS travel facility. The new changes are a result of over 6 months research and development aimed at improving our policies and website.

We are pleased to announce a range of improvements such as increased cover limits, increased upper age limits, new Economy policy and reduced rates in some key areas.

Our brand new Rating Guide is enclosed with this letter and will also be available to download via our website from the 1st May 2009 onwards.

In order for us to offer this leap forward in the development of our facility, we have teamed up with the UK's largest underwriter in leisure travel. All of our policies from the 1st May 2009 will be underwritten by AXA Insurance UK plc and are exclusive to SunWorldPLUS.

We will be using a brand new TCF Certificate Wording to form the basis of our policy. Full details of our new Certificate Wording will be available online at www.sunworldplus.co.uk after launch.

A summary of the main changes to our facility are detailed on the reverse of this letter.

We would like to take this opportunity to thank you for your continued support. We will be contacting all of our agents throughout the next few months to gain feedback from the new facility, however please do not hesitate to call us on our Freephone Helpline 0800 389 5904 if you have any questions regarding our policies or website.

Kind Regards,

The Accident & Health Department
